

Forbidden Lands Third-Party Tabletop Module License (version 1.0)

Fria Ligan AB (“Free League”) has created the Forbidden Lands tabletop role playing game, first edition (published by Fria Ligan AB in 2018, also under the brand name Svärdets sång) (“Forbidden Lands”). Subject to the terms of this license agreement, you may create your own tabletop role playing game supplements that are compatible with Forbidden Lands. A supplement is defined as a publication that includes adventures, setting material or rules additions, and requires the Forbidden Lands core game to be used. It cannot be a standalone product. By creating such a supplement, you agree to these terms.

- 1. LICENSE.** Free League hereby grants you a worldwide, perpetual, non-exclusive right to create, sell, publish, and distribute tabletop role playing game supplements that are explicitly compatible with Forbidden Lands (your “Supplement”), in printed form, as a PDF, or as a virtual tabletop module (“VTT”). VTTs do not include NFTs or video games, only virtual tabletop modules. This agreement applies only to Supplements based on the first edition of Forbidden Lands published in one of the following languages: English, Swedish, Spanish, German, French, Portuguese, Italian, Polish, Czech. Supplements in any other language or based on any future editions are subject to separate licensing requirements. So long as you comply with the terms of this agreement, this license is irrevocable. If you breach the terms of this agreement, this license terminates automatically.
- 2. SCOPE OF LICENSE.** This agreement permits you to create a Supplement based on the Forbidden Lands rules, but not to include a copy of those rules with your Supplement. You may reference the Forbidden Lands rules, including using terminology, the names of creatures, and locations from Forbidden Lands in your Supplement, so long as you do not use them in your title. This agreement also permits you to include page references to official Forbidden Lands publications in your Supplement. You may explicitly state that your publication is a third-party Supplement for Forbidden Lands, for example on the back cover, on sales platforms, and in promotional material.
- 3. LOGO.** You must place the A Supplement For Forbidden Lands logo (available [here](#) in the relevant languages) (the “Logo”) on any Supplement you create using this license. The Logo in the language matching the content must be placed on the lower half of the cover and may not be wider than half the width of the cover. The Logo style and positioning must comply with any style guides provided by Free League.

- 4. RULE MODIFICATIONS.** The purpose of this license is to encourage third party publications compatible with the Forbidden Lands core game, and with each other. Though not prohibited, Free League discourages the adoption of new rules for your Supplement. You may, however, include additions to the Forbidden Lands rules in your Supplement, subject to the following limitations: (i) your Supplement rules may not replace the official core rules, in whole nor in part; and (ii) you may not add new attributes or skills. You are allowed to add new kin, professions, talents, magic schools, spells, monsters, weapons, armor, equipment, and rules for anything not covered by the core game.
- 5. EXCLUSIONS.** Except as expressly permitted herein, you may not use any Forbidden Lands text, artwork, or trade dress, any other artwork, text, or other materials created or owned by Free League. You also may not use any of Free League’s brands or logos, except as set forth in section 3, above.
- 6. OWNERSHIP OF FORBIDDEN LANDS.** You agree that Free League owns all rights in Forbidden Lands and that you will not contest those rights. Free League expressly reserves all rights not expressly granted in this agreement.
- 7. GENERATIVE A.I.** If you include any text or art created by generative A.I. tools in your Supplement, this must be clearly stated when you offer the Supplement for sale and stated on the front or back cover of the Supplement.
- 8. OWNERSHIP OF YOUR SUPPLEMENT.** You own all rights in any Supplement you make under this agreement. Free League may not copy or use your Supplement without your permission. But you acknowledge that Free League may independently create something similar to your Supplement and that it is not prohibited from doing so unless it knowingly and intentionally copied your original work.
- 9. NOTICE.** You must include a notice on your Supplement, or any website or advertising material associated therewith, that states that your Supplement is not sponsored or endorsed by Free League and that you are using Forbidden Lands under license. We recommend, “This game is not affiliated with, sponsored, or endorsed by Fria Ligan AB. This Supplement was created under Fria Ligan AB’s Forbidden Lands Third Party Supplement License.”
- 10. RESTRICTIONS.** Except as expressly permitted in this agreement, you may not state or imply that Free League endorses, sponsors, or is affiliated with your Supplement.

11. REPRESENTATIONS. You represent and warrant that you have the capacity to enter into this agreement, that your Supplement does not violate or infringe the rights of any third party, and that your Supplement complies with all applicable laws, rules, and regulations in every jurisdiction in which it is distributed.

12. DISCLAIMER. FREE LEAGUE IS PROVIDING Forbidden Lands “AS IS,” MAKES NO REPRESENTATIONS OR WARRANTIES EXCEPT AS EXPRESSLY STATED IN THIS AGREEMENT, AND DISCLAIMS ALL WARRANTIES, EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE. Free League has no liability for your use of Forbidden Lands and, in addition, you expressly waive any claim for any indirect, punitive, special, exemplary, incidental, or consequential damages.

13. MISCELLANEOUS. This is the entire agreement of the parties relating to the subject matter hereof and you agree that you have not relied on any terms or representations other than those expressly stated herein. Free League recommends that you review this agreement with your own lawyer and you acknowledge that you have had an opportunity to do so. Free League may update this agreement at its sole discretion, but you will continue to have the right to use Forbidden Lands under the terms of this agreement or any subsequently published version of this agreement at your sole discretion. No joint venture, partnership, employment, or agency relationship exists between you and Free League as a result of this agreement. Free League’s failure to exercise any right or provision in this agreement shall not constitute a waiver unless expressly acknowledged and agreed to by Free League in writing.
